THE DETROIT SOCIETY FOR GENEALOGICAL RESEARCH, INC.

c/o Burton Historical Collection  
Detroit Public Library  
5201 Woodward Avenue  
Detroit, Michigan 48202

The Detroit Society for Genealogical Research was organized on September 26, 1936, by a group of thirty-three interested persons, which grew to one hundred eight members within the year. Its primary objective was to be a non-profit organization for the preservation and perpetuation of the records of ancestors and families of the commonwealth, and to be of assistance to the Burton Historical Collection, Detroit Public Library. Its affairs were to be administered by an elected Board of Directors consisting of a President, Vice President, Recording Secretary, Corresponding Secretary, Treasurer, and Editor. Meetings were scheduled to be held the second Saturday of each month from September to June inclusive at 2:00 p.m. in an assembly hall of The Detroit Public Library, 5201 Woodward Avenue, Detroit, Michigan 48202. The public is invited.

On 12 June 1937, a bulletin of information and exchange was printed for the benefit of members which eventually resulted in the launching of the Society's Magazine. As members compiled family histories, gathered vital statistics, and located hitherto unpublished records it seemed a worthy thing to give these careful compilations a more permanent record—and so the magazine evolved without losing its original purpose.

The Society expanded its activities in 1959 by publishing a series of genealogical aids to assist searchers in a variety of fields. These publications with current prices are listed on the inside rear cover of each quarterly.

In addition to the monthly meetings at which talks are given by authorities upon genealogical topics, a workshop and conference is held annually, especially for the benefit of the beginner who wishes to learn how to research his family. Classes in genealogical research are held from time to time in Detroit and suburban areas.

All persons interested in genealogy, history, or biography, either amateur or professional or any organization or corporate body are eligible for membership. Annual dues (including four issues of the magazine and the name index for that volume) are: active \$8.00; two members in one family (with but one Magazine) \$10.00; contributing \$15.00; and sustaining \$20.00. Membership begins on August 1st of each year. Persons who join during the year may purchase available back issues of the Magazine at membership cost.

The Detroit Society for Genealogical Research, Inc., and the Editor do not assume responsibility for errors of fact or opinion which may appear in the statements of contributors. The Editor will correct all errors, if proof is submitted.

**CHANGE OF ADDRESS:** Please notify the Society of a new address at least six weeks in advance, and state whether it is to be permanent or temporary; if the latter, please include dates.

Back issues of The Detroit Society for Genealogical Research Magazine are available on microfilm from University Microfilms, 300 North Zeeb Road, Ann Arbor, Michigan 48106.
